The Huey P. Long administration, after only three years in office, began construction of a new Capitol, which today towers higher than any other state capitol in the nation. This Alabama Limestone building boasts more than thirty types of marble in its interior, most of which was imported from Greece, France, Belgium, Spain, and Italy. The fifty acre park on which the capitol was placed is so cleverly landscaped with varieties of plants and over ten miles of walks and drives that there is an abundance of color in every season of the year.

Many ships pass through the port of New Orleans all through the year. As a clearing house for the trade of the Mississippi Valley, New Orleans is one of the leading ports of the nation. Sugar, bananas, coffee, bauxite, and molasses are the most important imports, while petroleum products, iron and steel, corn, and cotton head the exports.

The staff and sponsors of the Byrd 1951 yearbook have endeavored to produce a complete and first hand account of life at Byrd —our work, our fun, our interest, our activities, and our associations. The Editorial and Business Staffs, working together, have preserved the customs and traditions that make our school the fine place it is today.

A hard-working business staff, under Mrs. Mamie Rusheon, secured enough advertising inches to make this publication completely self-supporting. Also a part of the business staff, the members of the circulation department distributed and sold some 1,000 copies every other Friday.

## BYRD HIGH BAND

Alvin Benner  
*Director*

In keeping with the noble tradition established by members of the Instrumental department during the last decade, groups this year have made appearances for radio broadcasts, assemblies, weekly military reviews, community activities, Holiday in Dixie, as well as performing elaborate half time shows for football games, including the Annual High School Band Day in the LSU stadium, and preparing for the annual winter and spring concerts.

Our department welcomes all students who wish to begin or continue their musical training. Classes are offered for beginners on both band and orchestral instruments, for intermediate students in both band and string sections, in addition to the Military, Marching and Concert bands.

This year chamber music groups have formed an integral part of our music activities. Each student has been a member of one or more ensembles, many of which have performed before various school and civic functions.

Aims of the department are to acquaint the music student with the finest in music literature performed to the best of his ability, to develop a sensitive appreciation and enjoyment of music as an art, to instill in him a sense of self pride and responsibility, all of which contributes to the development of a better citizen, regardless of the profession he may choose after leaving high school.

## A CAPPELLA CHOIR

In any school the number of participants taking part in the vocal program has a great deal to do with the success or failure of that program. If there are only a few to participate, the musically talented have to be mixed with the untalented, those that learn rapidly mixed with those that learn slowly, and those with a great deal of interest mixed with those of lesser interest. This does not make for a good choir nor for a healthy vocal program and is the reason for our ever expanding vocal program here at Byrd.

We wish not only to present a great deal of music to a great many students, but a little music to a great many students. Our program this year has been the largest in the history of Byrd High School and has included an A and B choir, a Girls' Glee Club, a Boys' Glee Club, an Ensemble, an Operetta, an Appreciation class, and a Theory Class.

## GIRLS' GLEE CLUB

At present there is a greater demand for music among girls than among boys. For this reason there is a Girls' Glee Club, which has proven very capable and has participated in the Thanksgiving Assembly, the large Christmas Assembly, and numerous other programs.

Originated to serve those with lesser interest and ability the B choir learned music to serve their own pleasure. However, they learned so rapidly and well they are now a performing choir on their own merit and participate in numerous assemblies for everyone's pleasure.

## DRAMA

Play rehearsal.

The drama department is a very outstanding feature of Byrd. Members of the speech and drama classes of Mrs. Jessica Goodwin are consistently called upon to play "leading roles" in every day activities as well as to participate in the numerous undertakings of their department. Time and effort required for rehearsals and the building of props go unheralded but are necessary.

A year's work is rewarded by the production of the annual Senior Play which has never failed to bring interest, humor, and satisfaction to all concerned.

A happy queen is crowned by Mr. Koffman while an approving court looks on.

The 1950 Homecoming Queen was Julia Cherry. Coronation of the queen and presentation of the court took place the night of the Byrd-Bossier Game, October 7. In a ceremony immediately preceding the game, Queen Julia was crowned by Mr. Koffman and members of the court were presented. The Queen and her court were elected by the student body and the football sweetheart was chosen by the members of the football team. On the facing page we present, center, Queen Julia Cherry and her escort, Edgar Galloway. Members of the Court are pictured in clockwise order starting from the upper lefthand corner. They are: Mary Holt, Maid of Honor, and Ronald Wideman; Betty Clarke, Football Sweetheart, and Jimmy Cosse; Sue Parker and Jimmy Miner; Carol Clark and Bobby Hargrove; Minette DeFrance and Jimmy Reeder; Mary Lou Bain and Jerry Dykeman.

Pictured on the opposite page is Shreveport's State Fair Stadium which was recently enlarged to seat 32,000 people. It is here that Byrd plays all of its home football games. It is the plan of the citizens of Shreveport to bring big-time football back to our city, and a good start has already been made. Several college games, a professional game and numerous high school contests have been held since its renovation.

## FOOTBALL 1950

The Byrd Jackets played eleven games in 1950, ending the season with five wins, five losses, and one tie. Coach Jack Rowan and his assistants, Coach J. D. Cox, and Coach John H. Laughlin, should be commended for their fine work in the 1950 season.

The Jackets had only six returning lettermen to center a new team around. With these boys to work around, the coaching staff developed a smooth running squad. Many boys who started the season lacking playing experience developed into very fine ballplayers. These are the boys we are depending upon in 1951.

### BYRD 13—SULPHUR 19

The Sulphur Tors edged the Byrd Yellow Jackets in the closing minutes of play in the Jackets opening game. The game was hard fought all the way and could have gone either way. The Jackets first tally didn't come until the fourth quarter. The Jackets then received the ball after a series of fumbles and kicks and scored, to take a 13 to 12 lead. With less than three minutes to play, Smith of Sulphur scored the winning touchdown for Sulphur. Danny Huddleston and Edgar Galloway were outstanding for the Jackets with their passing and running attack and both with touchdowns to their credit. Jerry Loe and Harold Hawkins were stand outs in the line.

A Tor goes down

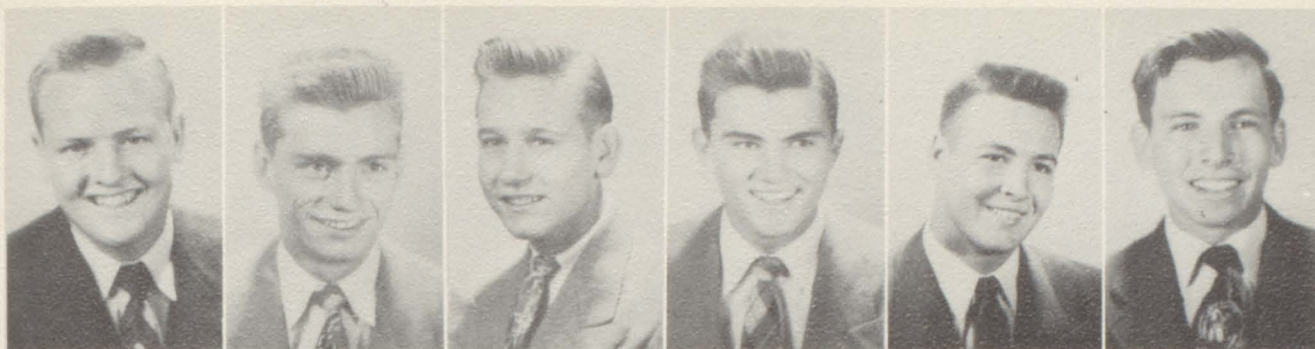

### BYRD 35—NATCHITOCHES 12

The Byrd Yellow Jackets romped to a 35 to 12 victory over the Natchitoches Red Devils in the second game of the season. The Jackets reserves tallied three of the five touchdowns. Galloway broke the ice with a 24-yard score off the spread formation and from then on the Jackets stayed way ahead and coasted to an easy victory. Other scores were by McFadden, Wideman, Brown, and Owens each turning in stellar performances. Byrd Linemen Harold Hawkins, and John Sheffield were standouts in the line.

#### BYRD 26—JOHN REAGAN 12

The Yellow Jackets paced by Danny Huddleston, Ronald Wideman and Edgar Galloway romped to a 26 to 12 win over John Reagan High School in Houston. The Jackets downed the second ranking Houston team with little trouble in keeping the Texans guessing all the time. Galloway received the praise of the Houston scribes, picking up 114 yards in 13 running attempts. The Jackets were ahead in the ball game at all times. Jerry Loe, Alan Langridge and Harold Hawkins proved to be too much for the Reagan linemen and backs, turning in stellar performances in the line.

#### BYRD 24—HOMER 18

The Byrd Jackets scored a hard fought victory over the Homer Pelicans to the tune of 24 to 18. The contest was delayed 40 minutes in the last half by a blackout. The Jackets were the first to score, early in the first quarter. The Pelicans took a temporary lead in the second quarter; however, it was cut short with the Jackets leading at half time 18 to 12. Huddleston without a doubt was the offensive star for the Jackets with three touchdowns to his credit. Smith the defensive standout of the game.

The Jackets were the first to cross the double stripe and left at half time with a 20 to 13 lead. The Bearkats came back strong in the second half to take a 37 to 27 victory. For the Jackets, Galloway and Huddelston were the spark plugs while Montalbano and Miller were the aces for Bossier.

#### BYRD 0—ISTROUMA 18

Riddled with injuries, the Yellow Jackets were defeated by the Istrouma Indians in Baton Rouge. The Jackets just couldn't seem to get rolling over the strong Istrouma squad. However, the Byrdmen proved to be a strong threat, with the hard running Ronald Wideman. Later in the season the Istrouma Indians showed their power by copping the AA championship.

#### BYRD 25—BOLTON 14

The Byrd Yellow Jackets paced by Jimmy Miner defeated the Bolton Bears to the tune of 25 to 14. The Jackets scored once in the first period and twice in the third period to sew the game up. The line play of the Yellow Jackets sparked by Jerry Lee, Jimmy Cosse, and Harold Hawkins, proved to be too much for the Bears. The touchdowns were scored by Jimmy Miner, with two to his credit, and the other went to Danny Huddleston.

#### BYRD 12—HAYNESVILLE 49

The Haynesville Golden Tornadoes proved to be too much for the Byrd Yellow Jackets in the Jacket's opening conference game. The first half was nip and tuck with the Tors holding a 14 to 6 half time edge. The second half, however, was dominated by the Tornadoes. The entire Haynesville team turned in top notch performances for the victory.

#### BYRD 14—OUACHITA 6

The Byrd Jackets proved to be the superior team on the rain soaked field at Monroe as they set the Lions down to a 14 to 6 defeat. After spotting the Lions 6 points in the first three minutes of play the Jackets came back for a victory. Sandifer and Huddleston produced the two touchdowns, while Scotty Douglass dominated the defensive play for the Jackets.

Slippery as an eel

# BYRD 13—RUSTON 13

The Byrd Jackets came from behind and pulled one out of the fire and tied the Ruston Bearcats 13-13. The touchdown was a result of a Galloway to Sandifer pass on the very last play of the game. Dale Sandifer made a shoe string catch of Galloway's pass and romped 60 yards for a touchdown to make the score 12-13. The "golden toe" of Jimmy Cosse made the extra point to give the Jackets a tie in a thrilling ball game.

# BYRD 13—FAIR PARK 35

The Byrd Yellow Jackets were set down to defeat by the Fair Park Indians for the District Title in the annual holiday affair. The Jackets just couldn't quite match the speed of the Indians, in the final game of the season for the Jackets. The Indians were led by Hedges and Hampton, and the Jackets standouts were Dan Brown, Edgar Galloway, Jimmy Cosse and Ronald Wideman. The Jackets finished their season with a record of five wins, five losses and a tie.

# NATIONAL HONOR SOCIETY

## OFFICERS

Millard Allen ..... *President*  
 Bob Saldich ..... *Vice-President*  
 Joyce Brugier ..... *Secretary-Treasurer*  
 Barbara Hood ..... *Sergeant-at-Arms*

The Grover C. Koffman Chapter of the National Honor Society, organized at Byrd on April 19, 1935, was named for our beloved principal because of his outstanding service throughout the years in behalf of the youth of Shreveport. It is the purpose of the organization to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in students.

In recent years the organization has become an active group which plans and carries out definite projects as set up by its members. The annual project, "Recognition Day at Byrd," was initiated in 1946 and has been successfully carried out through the years. Pupils who have been recommended by the faculty are awarded this recognition for their worthwhile service to the school.

Eligibility for admission to the society is based upon the four cardinal principles of Character, Scholarship, Leadership, and Service. The entire faculty votes upon the list of candidates who are eligible for membership. Miss Pearl Pryor is the faculty sponsor. Among the major projects each year is the impressive induction service to recognize incoming junior and senior candidates.

# RED CROSS COUNCIL

The Junior Red Cross, which stands for Citizenship, Safety, Health and International friendliness, is the only international youth movement. In 1935, the Byrd Chapter was established and is proud to be part of an organization in which over twenty million school children in fifty-two countries have membership.

As a part of the organized humanitarian program of the Junior Red Cross, with the motto, "We Serve," it offers its members an opportunity to serve others both at home and abroad, in peace and war, through adaptable channels that are correlated with school activities. Thus, it forms a link between schools and the broadening circle of local, national, and international society.

This year, the organization rendered assistance to Veterans' hospitals, to the Charity Hospital, and the Old Folks' Home. It helped in packing T.B. seals, filled and shipped overseas a large number of gift boxes, and served the students and faculty by putting out students' and teachers' directories.

Members of the Red Cross Council are — First row: Miss Celia Smiley, Sponsor; Delaine Bankston, Emily Tinsley, Dorothy Cox, Virginia Hemienz, Barbara Robinette, First Vice-President; James Snell, President; Betty Clair Eakin, Secretary; Patricia Beaird, Mrs. Pardue, Sponsor; Mary Joyce Rowell.

# LATIN FORUM

The Forum Latinum, one of the oldest organizations in school, was founded in 1925 by Miss Hetty Ecker. In 1939, due to increased enrollment, it was divided into two divisions, the Lower Forum sponsored by Miss Irma Robinson and the Upper Forum sponsored by Miss Ecker. The club is run on the Roman plan of government, having two consuls who alternately serve as presiding officer, a scriba or secretary, a quaestor or treasurer, and four aediles or program chairmen, elected by popular vote at the beginning of the school year. The purpose of the Club is to meet and solve the current problems of school life, to make social contacts, to give opportunities of service and leadership and to study Latin literature and customs. The projects undertaken by the club this year were providing Thanksgiving supplies for a large needy family and donating to the Joy Fund. The highlight of the club year is the social banquet held in the spring.

In future events, the Latin Forum expect to make the cake walk their annual project. Since the Romans were originators of such ideas, our project fits into one phase of Roman life which the Latin Club endeavors to carry out.

Each class elected a program chairman to direct the programs for which it was responsible. Plays and skits demonstrating the value of Latin and the Roman way of life, stories of Gods and Goddesses, and many other interesting features of the Roman works have been presented in the program given. ### A DISTRIBUTIVE EDUCATION STUDENT'S CREED

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my chosen vocation affords.

I believe that by rendering the highest measure of service to my customers, and by cooperating to the fullest extent with my fellow workers, I will be rewarded with a feeling of inward satisfaction as well as with material wealth.

I believe in the democratic philosophies of private enterprise and competition—that these philosophies allow for the fullest development of my abilities and the fullest use of individual initiative.

I believe that the ethics of conduct laid down by the Great Distributor of all good gifts should apply to my personal relationships in the field of business.

I believe that by doing my best in every way to live according to these high principles, I will be of most service both to mankind and to myself.

The National Distributive Education Club of America was organized in 1946, and convened at Baton Rouge, Louisiana, to organize the Louisiana State Distributive Education Club in 1947. The Byrd High Chapter of the Distributive Education Club was organized in 1948 with Mr. C. H. Johnson, instructor. The purpose of the club is "To develop progressive leadership in the field of distribution that is competent, aggressive, self-reliant, and cooperative."

A Mexican custom enjoyed by members of P.A.S.F. is the breaking of a pinata which is the climax of the fun at a fiesta. A large clay pot or jug, completely covered with colored tissue paper in simple or in fantastic design, is filled with candy, nuts, fruit, small gifts and some pennies, and suspended from a rope. One person is blindfolded and given a stout stick. While he swings the stick madly his task is complicated by others who lower the pinata out of his reach. When it is finally broken there is a scramble for goodies that fly in all directions. Dancing usually follows the breaking of a pinata.

Striking the pinata is Bessie Lee Frazier. In the group around her are: Hugh Brown, Elizabeth Pou, Nancy Brazzie, James Stanford, Adrienne Haywood, Mary Holland, Betty Hoyer, Anna Fay Chapman and Mary Beth Meadows.

P.A.S.F. members hanging a pinata are: Mary Miles Byrne, Kay Grafton, Jo Ann Willis, Larry Dye, Ann Fredricks, Ted Hartner, Betty Hand, Herbert Lloyd, Mona Walker, Juanita Harrison, Sally Morgan, Martha Woodring, Betty Simon, Patsy Daschae.

Looking down one of the narrow streets in the Vieux Carre of New Orleans, we see the Pontalba Apartments, the oldest apartment buildings in the United States. A distinctive feature of the building is the lacy grillwork representative of the Spanish influence on New Orleans. Built by the Baroness Pontalba in 1849, these historic buildings have become famous for their unique architectural design. The buildings which overlook legendary Jackson Square, have undergone very few changes since their construction.

Nationalist, seen preparing for Mayor For A Day Election are standing: Holly Mitchell, Shelly Beychok, Madelyn Elliott, Pat Perry, Randy Hensley, Carla Collier, Rae Cupples, Jean Yauger, Minette DeFrance, Edwin Blewer, John Liembrook, Morris Sneed. Working on the banner: Mae Rosenblath, Bob Saldich, Patsy Brennan, Hirsch Goldberg, and Julia Cherry.

The annual Mayor For A Day Election is a project of the citizenship committee of the Student Council. The political parties, Federalist and Nationalist, consisting of one representative from each homeroom, hold conventions to nominate their candidates. As soon as the candidates are selected, campaigning begins. Signs and posters are made; songs are written; rallies are planned; and the all-important speeches are composed. Friendly competition, teamwork, and school spirit promote citizenship in the school. After both parties have had the chance to speak and present their platforms, the day of voting arrives.
